These templates outline the dimensions, fold lines, cutouts, and branding elements that will be incorporated into the final product. Typically created in digital design software such as Adobe Illustrator or Photoshop, templates serve as blueprints for manufacturing.

The purpose of a pizza box template extends beyond just fitting the pizza snugly; it encompasses branding placement, ventilation, ease of handling, and eco-friendliness. Well-designed templates ensure the box is sturdy enough to prevent leaks, easy to assemble, and visually appealing to customers.
