Understanding the 'Profile 2' in Oxford Business English

What Is 'Profile 2'?

The term 'Profile 2' in the Oxford Business English framework refers to an assessment module targeting learners at an intermediate level, typically aligned with the B1-B2 levels of the Common European Framework of Reference for Languages (CEFR). It is designed to evaluate a candidate?s ability to handle common business communication tasks, including writing reports, participating in meetings, and understanding business correspondence.

The 'Profile 2' component is integral to the Oxford Business English Certification (OBEC) program, which offers a standardized measure of a learner's proficiency aligned with international business standards. It acts as a diagnostic and summative assessment, providing learners and educators with a clear picture of the candidate?s strengths and areas for improvement.

The Structure of the 'Profile 2' Assessment

Core Components

The 'Profile 2' evaluation encompasses several key components, each designed to mirror real-world business interactions:

- Reading Comprehension: Tasks involve understanding business reports, emails, memos, and articles.
- Listening Skills: Audio exercises simulate meetings, negotiations, and telephone conversations.
- Writing Tasks: These include composing emails, short reports, and summaries.
- Speaking Tasks: Role-plays, presentations, and discussions assess verbal proficiency.
- Grammar and Vocabulary: Focused questions test accuracy and range within business contexts.

Assessment Format and Timing

Typically, the assessment is modular, with each section timed to reflect real-world constraints:

- Reading: 20-30 minutes
- Listening: 20-25 minutes

- Assessment Rigidness: Fixed answers might not accommodate alternative correct responses, especially in subjective tasks like writing and speaking.

To address these issues, educators should encourage learners to customize model responses and develop critical thinking skills that enable them to respond appropriately to varied scenarios.
